**February 2026**

Happy New Year to my dear friends at St Mark's. Maybe I'm a little late with my greetings due to ill health, so please excuse the lateness.

I was so disappointed not to have been able to share with you all the joyful celebrations of Christmas but know that you were constantly on my mind and in my prayers. However now the new year has begun, and we are now in the glorious season of the Epiphany.

It has been a challenging winter so far in terms of weather with multiple storms and severe winds leading to school closures for public safety yet through all the extreme weather from my window I can see evidence of new birth in nature with new shoots beginning to emerge on the trees in sheltered places.

Which brings to mind that our church is rooted in Christ Jesus and our relationship with him in prayer is where it all begins.

I read recently 'Out of the roots of prayer come shoots of faith. 'I am the vine you are the branches (John 15.5) As we abide in Christ, so we come to trust him more as the well spring of our life.

We will shortly be entering the season of Lent. The Ministry Team have been discussing our Lenten activities, one of which is for us to share a Quiet Day. A day which enables us to draw nearer to Christ for a short time 'To abide in Him the 'Well Spring of our life'. The date will shortly be announced. Do consider carefully if you would like to join with others on a day set apart where together we can draw nearer to our Lord and King.

*Love and blessings*

*Rev'd. Pat*
