Welcome!

Here for the first time? Relax. We hope that you feel at home among us. The person who greeted you will answer any practical questions you might have. There are some 'first time visitor' cards with useful pointers to help you get the most from this service and the church's facilities.

We also now have a card machine at the back of the church, should you wish to use your card to make a donation, or if it is a family service use the QR code on the screen.
